

At Edinburgh, we are all very special. We have come from all different places around the world to come together as a one big school. We, children, need to include teachers in our community as they are the ones that help us take the next BIG step ahead in life.

Teachers In Our School:

- ✦ Are very creative. They can think of things to make OUR classrooms a better place.
- ✦ Have a great sense of humour. While teaching they may tell funny jokes or tell you about a funny experience.
- ✦ Put together thought-provoking, inspiring lessons that involve EVERYONE. Teachers at our school organise lessons to go with the topic you are studying.
- ✦ Firm but fair. They sort out problems in a firm way but they also hear both sides of the story.
- ✦ Motivate and elevate children to achieve MORE. They encourage us when the feeling of doubt is lurking.
- ✦ Live life to the fullest. "Life is like a box of chocolates, you never know what you' re going to get- Tom Hanks.
- ✦ Are outspoken and confident. They will stick up for what they believe is right.
- ✦ Speak for the children. Teachers let our voices be heard loud and clear.
- ✦ Have hope in us. They believe we can do ANYTHING.
- ✦ Know different languages. They teach and talk to you in different languages if you find it hard to speak English.

Children in our school:

- ✦ Are active, independent learners. We believe that anything can be done if we focus and concentrate.
- ✦ Are friendly, helpful and polite people. We love meeting new people and were not afraid to lend a helping hand. Please and Thank You are essential.
- ✦ Are hard-working. We aim for the best. We want to achieve our best.
- ✦ Take risks: We believe taking risks can benefit on our learning. In a positive way.

- ✦ See the glass as half full. We see the positive sides of things. We don't see the negative.
- ✦ Are determined: We try until we reach the top.
- ✦ Communicate: We communicate with new people with no problems doing it at all.

We have:

- ✦ Regular trips that support children's learning.
- ✦ Visitors to do with the topic we are learning about.
- ✦ A wide variety of clubs.
- ✦ A wide range of technology like:
 - ⊗ iPads
 - ⊗ iPods
 - ⊗ Interactive whiteboards for each class
 - ⊗ Individual Net books for each child
- ✦ Adoring, HARD-WORKING Staff.
